MEMORANDUM FOR: Executive Director, NPIC *H*

SUBJECT : Conduct of Review of NPIC's Training Procedures  
and Plans

1. In conducting a review of NPIC's training procedures and plans I request permission to proceed along the following lines:

- ✓* a. Review training records of the Center (currently reviewing records available through )
- ?* b. Submit a brief questionnaire to ALL Center personnel, or to as many as you will permit me to contact, via their supervisors. I would prefer to attempt to submit a questionnaire to all employees. This will give me a better feel for the situation. It could also be of benefit morale-wise in seeking the participation of each individual.
- ✓* c. Conduct follow-up discussions in each Group and Staff with personnel approved by Group and Staff Chiefs.
- ✓* d. Seek information and guidance from PPBS.
- e. Prepare and submit results of training review to you.

2. A draft of the proposed cover memo and questionnaire for use with NPIC personnel is submitted for your comment and approval.

DRAFT

21 August 1970

25X1

NPIC management is interested in a thorough and independent review of the Center's training procedures and plans. This is to be an across-the-board review encompassing all training. I have been asked to do such a survey and it will be successful (for you and the Center) only to the extent that you make your needs and convictions known.

The attached questionnaire, if answered candidly, will be a real assist to me in getting this project started. All replies should be sent to Room 6N131 [redacted]

25X1

[redacted] Signatures are desired but not mandatory. If you prefer not to sign please indicate <sup>only</sup> the Group or Staff you are assigned to *and your grade.*

All replies should reach me no later than 4 September 1970.

In order to make progress on this study a close schedule must be maintained. We would much rather make progress with your help than without it. The review should represent you. Please complete and return the questionnaire on time. If you have any questions I can be reached on [redacted] and would welcome a visit from you in Room 6N131.
